

Georgetown Emergency Medicine Diversity Scholarship Program

At Georgetown and MedStar Health, we embrace diversity in our residency, our faculty, and our community. We understand that an inclusive academic program will enrich our learning environment and improve care of the patients we serve. Our program is dedicated to recruiting and retaining a diverse group of students, residents, and faculty. Our team welcomes members of all ages, ethnicities, genders, races, religions, sexual orientations, and socioeconomic backgrounds.

Diversity Scholarship Goals

- Provide opportunities for students from various backgrounds to gain exposure to emergency medicine in the heart of the nation's capital.
- Minimize the costs of travel and housing via a \$1,500 scholarship.
- Recruit and retain a diverse residency class to best reflect the diverse population that our program serves.

All 4th year U.S. medical students with an interest in workforce diversity in healthcare professions are encouraged to apply, especially those from groups underrepresented in medicine.

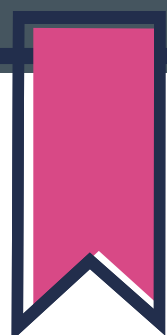

Step 1:
Apply to the
Georgetown EM
clerkship via VSLO

Step 2:
Write an essay
(no more than 500 words)
describing how your background
and experiences have led you to
appreciate the difficulties faced by
the medically underserved.

Step 3:
Email essay to:
Jose.Nable@georgetown.edu
Due May 1, 2021

Competitive Applicants Will Ideally Have

- Strong academic credentials (demonstrated via transcripts, USMLE Step 1 score)
- Leadership and experience in caring for medically underserved populations
- Commitment to pursuing a career in emergency medicine
- An interest in diversity & inclusion in the equitable delivery of healthcare
